

A UNIQUE MODERN WORKPLACE
ENVIRONMENT SITUATED IN THE
HEART OF BIRMINGHAM CITY CENTRE

The line break is now really awkward using the word 'workspace'. I think 'space' was fine before

RUM RUNNER WORKS IS A WORKSPACE WITH REINVENTION AT ITS CORE.

Formerly the location of the iconic 1970's Rum Runner Nightclub the building combines a mix of period character and efficient design. The blend of exposed brickwork with glass and steel construction provide an industrial feel reflective of the scheme's manufacturing past.

Designed with the modern office user in mind the internal spaces offer excellent floor to ceiling heights, feature lighting and exposed services.

Multiple external terraces offer private outdoor spaces overlooking the thriving Gas Street Canal Basin and the opportunity for events and functions.
